

Low Carbon Pledge

www.planningportal.gov.uk

I pledge on behalf of Agrarian

to minimise CO² emissions by using the Planning Portal to help make this a greener organisation

We will:

- Reduce the use, manual processing and transportation of paper
- Avoid the submission of paper based planning applications
- Submit all possible planning applications online via the Planning Portal
- Regularly report on the carbon savings achieved by online Planning
- Include resulting CO² savings made within our Corporate Social Responsibility statements
